EXECUTIVE DIRECTOR COMMENTS

The airport received a tentative allocation (TA) from the Virginia Department of Aviation (DOAV) for the first project associated with the terminal replacement. The project is in the approved FY19 capital budget.

Motion: Authorize the Executive Director to accept the grant and execute all necessary paperwork to proceed with the project – by Paul Anderson, second by Bill Pifer. Motion passed unanimously.

The airport plans to introduce Shell Contract Fuel and other programs in coming weeks. Representatives from Shell will be on-hand during the pilot stakeholder reception next month to answer questions.

The annual airport capital improvement program (ACIP) submissions are due to the State and FAA April 1st.

A new logo will be submitted for adoption at the next board meeting.

Finally, Nick indicated that he is cautiously optimistic that the aircraft personal property tax rate will be lowered, but views the issue as a continuous, existential threat to the airport's fiscal and business development outlook.

COMMENTS - BOARD MEMBERS

Bill Pifer – It has been nice working with Joey Bailey and it is beneficial to have his energy and ideas on the Authority.

Gene Fisher – Gene recognized the 3 airport staff members that were in attendance and thanked them for the work they do on a daily basis to keep the airport's operational and business matters in order.
