# MESSAGE FROM SHERIFF MILLHOLLAND

I appreciate you taking time to review our annual report. The Frederick County Sheriff's Office is a full-service Sheriff's Office. This means that we handle all types of calls that come into the Communications Center, or the Sheriff's Office.

The Frederick County Sheriff's Office handled over 80,000 calls for service in 2019. These calls are made up of Administrative, Patrol, Traffic, Drug, Animal Control, School Resource Issues, Civil and Court related functions. The sworn staff of the Frederick County Sheriff's Office is at 149 authorized personnel. There are currently 10 non-sworn civilian personnel that make up some of the internal workings of the agency. This staff handles reports, records, warrants, civil papers and all types of paperwork required by code. Just like the sworn staff, the non-sworn all have important positions and provide important service to our community, and agency.

We are proud to continue our work with the youth of Frederick County and our schools. We have many programs such as "Freedom Friday's", "Tribute Tuesday", the "Lunch Buddy Program", and "Virginia Rules" to name a few. We are significant partners with Bright Futures. The Frederick County Sheriff's Office continues to provide the D.A.R.E. Program (Drug Abuse Resistance Awareness) for the 5<sup>th</sup> Graders of Frederick County public and private schools. We believe if we can change the mindset of young people at an early age, we may be able to change the way they view drugs and alcohol in their future.

As you look through our report, please look at the Group A and Group B offenses and arrests and see the types of crimes that are reported and handled. Every year, Law Enforcement changes in so many ways. Again, we constantly look for ways to be more effective, efficient, and transparent with the public. The Frederick County Sheriff's Office encourages our personnel and the Citizens of Frederick County to be involved in the community. 2020 will bring on new and different challenges that we all need to be prepared for. If you have concerns over safety and security, take a moment and give us a call at 540-662-6162. You can also check our website and our Facebook Page for things we feel are important.

Sincerely,

*Sheriff Lenny Millholland*

## Easter Fun

Frederick County Sheriff Lenny Millholland, Kay Anderson, Joanne Lloyd, both from The Bank of Clarke County and the Easter Bunny took pink, green, purple, yellow and blue bunnies to the Winchester Medical Center and the Freemont Street Nursery for the kids for Easter. The event has been sponsored by the Easter Bunny Foundation which is a non-profit foundation celebrating over 25 years of providing bunnies for children in hospitals across the United States who are in the hospital during Easter. During its first year, Sam Meiner and his wife Eleanor had an idea to surprise children in the hospital at Easter time and give them a gift to make them smile. The Easter Bunny Foundation, located in Orlando, FL, asked for support from then-Orange County, Florida, Sheriff Kevin Beary and his deputies to go with the big bunny to see kids in Orlando area hospitals. It was such a success that Sheriff Beary asked the National Sheriffs' Association to support the efforts of the Easter Bunny Foundation across the United States. Over the years, over 100 sheriffs joined the Bunny Trail and make visits to children in their area hospitals to give them a bunny at Easter. "One Bunny, One Smile" has become the motto for the foundation. This year with the help of the Bank of Clarke County, its customers and friends, thousands of bunnies were purchased from Bank of Clarke County Branches in Winchester, Clarke and Loudoun Counties. Each bunny sold was a bunny the Foundation could give to a child. According to Sheriff Millholland, over 17,000 bunnies were given out across the country. We could not have been as successful had it not been for the wonderful support of businesses like the Bank of Clarke County.

Frederick County is the northern-most point in Virginia, a mid-point of the East Coast. The County sits at the mouth of the Shenandoah Valley which stretches 200 miles between two mountain ranges - The Blue Ridge Mountains to the East and The Allegheny Mountains (part of the Appalachian Mountain Range) to the West. The Valley is bound by two rivers, the Potomac River to the North and the James River to the South.
