
2021 Annual Report

Frederick County VA
Sheriff's Office
1080 Coverstone Dr
Winchester, VA 22602

MESSAGE FROM SHERIFF MILLHOLLAND

As the Sheriff of the Frederick County Sheriff's Office, I would like to personally thank you for taking the time to review the Frederick County Sheriff's Office 2021 Annual Report.

The Mission of the Frederick County Sheriff's Office is to provide fair, unbiased law enforcement services to the public, while respecting the individual's constitutional rights.

The Frederick County Sheriff's Office currently has 145 sworn personnel and 10 civilian personnel serving our citizens. This office is a full-service Law Enforcement Agency. This means that we take care of all aspects of Law Enforcement to include but not just limited to Administrative, Patrol, Traffic, Criminal Investigations, Civil Duties (ie Courts and Civil Documents, evictions, levies, mental transports, criminal transports, etc.), Drug Enforcement, Animal Control, School Resource Officers, to name some of our duties. The proud members of the Sheriff Office handled over 84,000 calls for service in 2021. This is about a 3% reduction in the number of calls from 2020. Frederick County has approximately 90,000 citizens who live within the 415 square miles of our county. Shenandoah, Clarke, and Warren County along with the State of West Virginia border this county and create a lot of traffic and visitors.

During 2021, COVID and the Omicron Variant created many issues within our agency as it has the public, and the country. The Sheriff's Office has been fortunate that we only had about 80 personnel who tested positive or were asymptomatic during the pandemic. Many shifts had to be back-filled with personnel from other shifts so there were no breaks in service to the county and our citizens.

Deputies took 5,436 reports pertaining to citizen complaints and arrested 3,472 people that we had direct contact with for violations of the law. Our personnel continue to do their part in trying to prevent drug overdose deaths. There were 66 doses of NARCAN given to 39 people who had overdosed. Four of these people could not be brought back by NARCAN and passed away at the scene.

With the new changes in the drug law, we had to retire 2 of our marijuana/drug detecting K-9's and replace them with K-9's that don't alert on Marijuana. We feel that our K-9's, provide a much needed tool in order to address illegal narcotics in the county.

There are so many different calls for service that Frederick County Sheriff's Deputies deal with every-day. If you review the Group A and Group B offenses in this report, you will see the many types of call for service we respond to.

The Frederick County Sheriff's Office is here to help whenever the need arises and there are issues of public safety that need addressed.

The Frederick County Sheriff's Office has sponsored a Youth Camp for middle school aged children for 20 years. Unfortunately, the pandemic did not allow the Youth Camp to take place in 2020. In 2021 the Sheriff's Office had a modified Youth Camp at Cedar Creek Christian Camp. The children enjoyed a day of fishing, swimming, sports, and lots of good food. The Sheriff's Office is looking forward to continuing the tradition of having the weeklong camp in 2022.

Mission Statement

It shall be the mission of the Frederick County Sheriff's Office to provide fair, unbiased law enforcement services to the public, while respecting the individual's constitutional rights.

Code of Ethics

"As a law enforcement officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the constitutional rights of all men to liberty, equality, and justice.

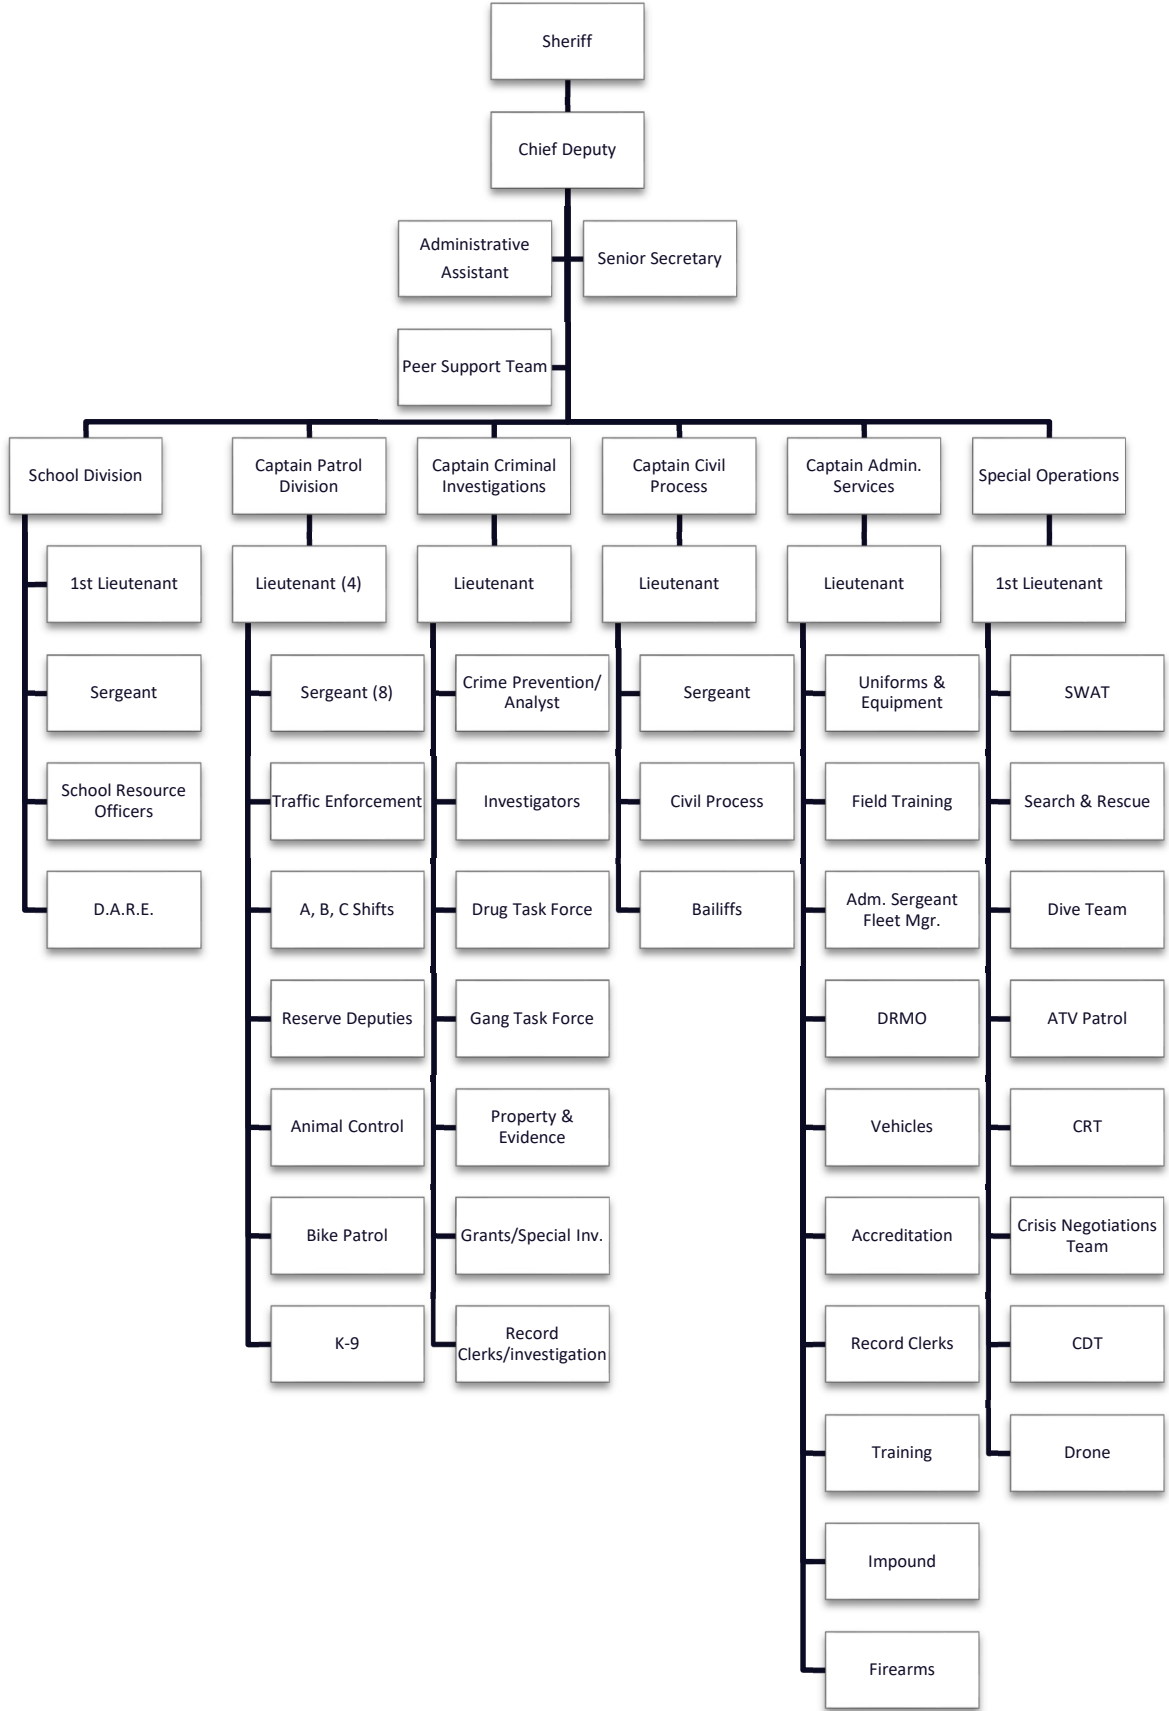

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life,

I will be exemplary in obeying the law of the land and the regulations of my Office.

Whatever I see or hear of a confidential nature that is confided to me in my official capacity will be kept ever secret, unless revelation is necessary in the performance of duty.

I will never act officiously or permit personal feelings, prejudice, animosities, or friendships to influence my decisions with no compromise for crime and with relentless prosecution of criminals. I will enforce the law courteously and appropriately without fear or favor, malice, or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust, to be held so long as I am true to the ethics of public service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession-law enforcement."

Lifesaving Awards

There are moments when officers walk onto the scene of an incident knowing that they face danger, and yet they still arrive with the intention to save those very same people who threaten to hurt law enforcement. Deputy Quinten Kuhn and Deputy Kyle Russell did just that. Responding to a 911 call in Clearbrook, Virginia, Deputies Kuhn and Russell saved the life of a male who was threatening to injure any arriving officers. The male was observed in the doorway of the residence, bleeding profusely after self-inflicting stab wounds to his neck and chest. The Frederick County Sheriff's Office deputies utilized a towel to apply pressure to the male's injuries until the arrival of Frederick County Fire and Rescue personnel before he was transported to Winchester Medical Center for immediate surgery.

Deputy Kuhn and Deputy Russell were awarded the Lifesaving Award for their actions on January 22, 2021.

Hunter Mundy is known for his big heart and helping others through his non-profit organization, Fallen Riders Inc. He put those words into action one evening after winning a Winchester-based billiards tournament. The runner-up team had come up to congratulate Hunter and his team on their win when one of the teammates fell to the floor and became unresponsive just before midnight. Hunter's wife, Nikki, who works at Winchester Medical Center, cleared the area around the fallen player after checking for a pulse. Hunter began CPR immediately.

Moments later, Deputy David Cullers arrived at the scene. The 65-year-old male was only taking a breath every fifteen to thirty seconds and was in apparent agony. Deputy Cullers took over CPR duties from Mr. Mundy and did so until Frederick County Fire and Rescue arrived. The victim had begun breathing on his own and eventually talking while being transported to Winchester Medical Center for care and testing.

Hunter Mundy was awarded the Citizen's Award and Deputy David Cullers received the Lifesaving Award for their actions on March 4, 2021.

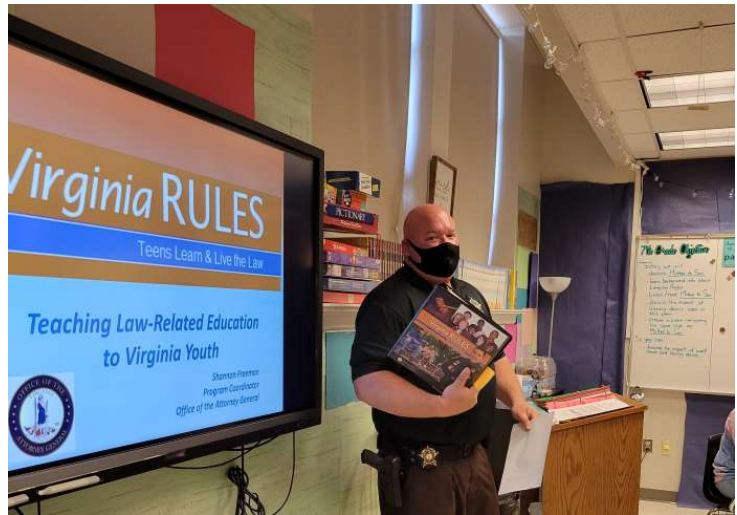

"Award of Excellence" for outstanding performance was presented to all School Resource Officers, Sheriff Millholland, and Jason Cornwell from the Frederick County School Board

Sheriff Millholland was pleased to speak with two very special young women this week, where he presented an award to one and received a generous donation from the other.

Area graduating Senior Sonya Puryear (in addition to Elyssa McCafferty and Corrine Smith) have each been awarded a \$1000.00 Scholarship from the Virginia Sheriffs' Institute.

In turn, Kate Colley, and her mom Kristie, presented Sheriff Millholland with several bags from Kate's "My Bag" project. Each bag contains items that will hopefully help comfort child victims during difficult times.

Thank you, Kate and Sonya and good luck!

Representatives from Miller Ace Hardware are pictured here with Deputy Spears and Deputy Tanner, and their shift supervisors, retrieving their stolen/recovered property.

On Friday, March 5th, FCSO was alerted to a possible larceny of power tools from Miller's Ace Hardware in Stephens City. A subject had been observed on a surveillance camera exiting from a side door of the business, at closing time, who appeared to be concealing merchandise that had not been paid for.

The suspect was last seen in a U-Haul truck leaving the parking lot and heading West on Fairfax Pike prior to deputies arriving at the business. While information was being gathered on scene, other deputies were given the description of the U-Haul and located it on Route 50 West and performed a traffic stop. Deputies attempted to identify and speak to the female driver and male passenger and eventually confirmed that this was the vehicle and suspects of the larceny from the business.

Thanks to the efforts of Deputies J.L. Walther, M.J. Porpillia, T.E. Spears and J.A. Tanner working together, from the scene and on the traffic stop, all the stolen power tools and merchandise, with a combined value of over \$3,000, was recovered. Both suspects had warrants out of other states for similar crimes and are currently being held at the adult detention facility on numerous charges related to this crime in Frederick County.

(U) UPDATE 1

BOLO: WANTED FOR DOUBLE HOMICIDE

		
Dominick Michael RHOADS W/M 5'11 / 165 lbs. Age: 19 From Anderson, SC	William Christopher FLYNN W/M 5'11 / 220 lbs. Age: 31 From Anderson, SC	Frank Thomas RHOADS W/M 6'00 / 235 lbs. Age: 39 From Anderson, SC

(U//LES) The above subjects are currently Wanted by Anderson Police Department for a double Homicide that occurred on Sunday, February 7, 2021. Full Extradition in NCIC. These subjects are believed to be **ARMED and DANGEROUS—USE CAUTION.**

(U//LES) **UPDATE 1:** Believed to still be traveling in a black 2014 Ford Fusion with SC Tag: TQD813 (registered to Frank RHOADS) but **WESTBOUND on I-20** instead of south to Florida as previously stated. The aforementioned vehicle was **last seen on 02/09/2021 in Clinton, Mississippi**. Their destination is currently unknown.

(U//LES) **Previous Information:** The information suggests they are in or headed to Florida, possibly driving together in a black 2014 Ford Fusion with SC Tag: TQD813. The tag was last seen in Valdosta, GA, on Monday, February 8. A second vehicle—2007 Chevrolet Suburban with SC Tag: RZK314—was also seen in Franklin County, GA, but investigators believe they are now together in the Ford Fusion. Both vehicles are registered to Frank Thomas RHOADS and both are in NCIC.

The Sheriff and I (Major Hawkins) wanted to pass along our appreciation to **all** that were involved in the apprehension of these three subjects earlier this afternoon. As we often say, the Sheriff and I worry about the safety of our personnel 24/7/365. While monitoring the pursuit today and subsequently responding to the scene, I must say that it definitely put things into perspective reference the dangers of our job and how quickly a normal day can turn into a high-risk situation. From Patrol, Civil, CID, SRO and Traffic, each Division to include our EOC dispatchers, worked as a team and most likely assisted in helping solve a homicide several states away. In closing, we are thankful that all law enforcement involved to include Middletown PD, Stephens City PD and VSP are all safe and going home to their families. Thanks again for an awesome job of taking these individuals into custody.
