

PARK BENCH DONATION PROGRAM

The Park Bench Donation Program is designed to increase public enjoyment of the park system in Frederick County. Giving the gift of a new park bench provides an invaluable service to the community. Donors may choose which park they would like to see their bench located, and work with our staff to select a specific site. Plaques are available for benches where donors may have their name listed, honor a loved one, or acknowledge a special achievement or memory.

HOW IT WORKS:

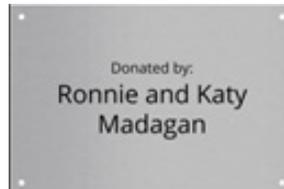

- Frederick County Parks and Recreation (FCPRD) will order, assemble, and install a donated bench at approved locations.
 - FCPRD will perform general maintenance and upkeep around the bench area.
 - A bench is guaranteed for the ‘useful life’ of a bench, a minimum of 10 years. Benches will remain after 10 years if they are determined to be in useful condition (determined by the Parks Superintendent).
 - FCPRD accepts no liability for damage to any bench from vandals or third parties.
 - FCPRD reserves the right to remove any donated benches that have been damaged or are beyond repair (as determined by the Parks Superintendent).
 - Benches are constructed of coated metal and are green in color.
- **The cost of a park bench is \$900. A stainless steel 4” x 6” engraved plaque is included.**
 - In the event the plaque is damaged, defaced, and/or removed, FCPRD will replace it for the useful life of the bench.
